NAMING CEREMONIES

A parents love

A parent's love is something that no one can explain,
It is made of deep devotion and of sacrifice and pain,
It is endless and unselfish and enduring come what may...

For nothing can destroy it or take that love away...
It is patient and forgiving when all others are forsaking,
And it never fails or falters even though the heart is breaking...

It believes beyond believing when the world around condemns,
And it glows with all the beauty of the rarest, brightest gems...
It is far beyond defining, it defies all explanation,

And it still remains a secret like the mysteries of creation...
A many splendoured miracle man cannot understand
And another wondrous evidence of God's tender guiding hand.

LEISEL PISANI

Little eyes upon you

There are little eyes upon you
and they're watching night and day.
There are little ears that quickly
take in every word you say.

There are little hands all eager
to do anything you do;
And a little girl/boy who's dreaming
of the day s/he'll be like you.

You're the little girl/boy's idol,
you're the wisest of the wise.
In her/his little mind about you
no suspicions ever rise.

S/he believes in you devoutly,
holds all you say and do;
S/he will say and do, in your way
when s/he's grown up just like you.

There's a wide-eyed little boy/girl
who believes you're always right;
and her/his eyes are always opened,
and s/he watches day and night.

You are setting an example
every day in all you do;
For the little girl/boy
to grow up to be just like you.

OUR CEREMONY

LEISEL PISANI

Oh, the places you'll go!

Congratulations! Today is your day. You're off to Great Places! You're off and away!

You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the guy who'll decide where to go.

You'll look up and down streets. Look'em over with care. About some you will say, "I don't choose to go there." With your head full of brains and your shoes full of feet, you're too smart to go down a not-so-good street.

And you may not find any you'll want to go down. In that case, of course, you'll head straight out of town. It's opener there in the wide open air.

Out there things can happen and frequently do to people as brainy and footsy as you.

And when things start to happen, don't worry. Don't stew. Just go right along. You'll start happening too.

Oh! The Places You'll Go!

You'll be on your way up! You'll be seeing great sights! You'll join the high fliers who soar to high heights.

You won't lag behind, because you'll have the speed. You'll pass the whole gang and you'll soon take the lead. Wherever you fly, you'll be best of the best. Wherever you go, you will top all the rest.

Except when you don't. Because, sometimes, you won't.

You'll get mixed up, of course, as you already know. You'll get

mixed up with many strange birds as you go. So be sure when you step. Step with care and great tact and remember that Life's a Great Balancing Act. Just never forget to be dexterous and deft. And never mix up your right foot with your left.

And will you succeed? Yes! You will, indeed! (98 and $\frac{3}{4}$ percent guaranteed.)

Kid, you'll move mountains! So... be your name Buxbaum or Bixby or Bray or Mordecai Ale Van Allen O'Shea, you're off to Great Places! Today is your day! Your mountain is waiting. So... get on your way!
